

## Raphael's 60<sup>th</sup> Anniversary Founder's Day

This year Raphael celebrated its Diamond Jubilee. Founders' Day 2019 was held over two days in beautiful spring weather. Raphael celebrated 60 years since its foundation in 1959. Christine and Graeme Hannan and Trish Twaits from Australia joined Carolyn Tapley and her mother Mina Munro from New Zealand and Jamie McCartney from the UK as international guests at the celebrations.

**Thursday 4 April 10am** A large group of guests assembled at the main gate for a walk around the campus. After meeting with the residents of the Shiv Sadan they visited Barbara Cottage and then stopped at the Resource Centre for a ceremony to unveil a plaque for the new Therapy and Multi Purpose Centre. Afterwards there was a visit to the refurbished Little White House, where the male residents are now housed and Ava Vihar where the female residents live. A visit to many of the day school classrooms was also included, as was the garden project which is teaching many of the students about growing vegetables and fruit. The last stop was the TB hospital. The morning concluded with a delicious Community buffet lunch which was held outdoors under the trees for every member of the Raphael community.

**Friday 5 April 4.30pm** The main event of the day was the Founders' Day Program, which was held outdoors. The welcome address was presented by the Raphael Governing Council Chairman, Lt General Rustom Nanavatty (Retd). Congratulations was given by Christine Hannan and Carolyn Tapley on behalf of Ryder-Cheshire Australia and New Zealand. The program included a series of cultural items, presented by the various Raphael resident groups.

These provided a wealth of colour, movement, dance and song and delighted all present. There was also a distribution of prizes for achievements reached by community members and a stirring band performance from the IMA Military Band. The Chairman announced that the new CEO of Raphael was to be Mrs Priyo Lall, which was warmly received by the community. The Chief Guest, Lt General S M Mehta (Retd) Chief Executive Officer The Hans Foundation delivered the closing address which received a spontaneous hug from one of the residents. The program concluded with afternoon tea.

Governing Council Chairman Lt Gen Rustom Nanavatty, his wife Sanuti and newly appointed CEO Mrs Priyo Lall

The guests agreed that that it had been a privilege to be present for these two days, which had been a whirlwind of people and events, of welcome and hospitality and of warmth and friendship.

## A Devoted Humanitarian

During his second visit to Australia in the early 1960s, Leonard Cheshire gave a talk to the seminarians at Corpus Christi College in Werribee. One of those seminarians, a young Ted Burns, spoke to Leonard after the talk and committed himself to a rather open-ended offer to help after he was ordained. For more than 50 years, Father Ted Burns has lived up to that *offer to help*.

Father Ted with Leonard and Sue in the 1980s

Father Ted became a close friend and correspondent of both Leonard and Sue, meeting and saying Mass for them on their visits to Australia, and regularly writing and receiving letters from them.

He took on the task of fund-raising for Ryder-Cheshire with unbridled enthusiasm and, over the past 50 years, has raised many hundreds of thousand dollars for both Raphael and Klibur Domin.

Father Ted speaks passionately about the work of Ryder-Cheshire from the pulpit and in one-on-one conversations with anyone showing the slightest interest. He has recruited hundreds of donors, sponsors and volunteers who have been exceedingly generous with their time and their money.

In 2011, he made his first of eight visits to Klibur Domin. The previous year he had personally donated over \$100,000 from his own pocket to build the Respite Centre, which he had requested be named in honour of Saint Damien, the Patron Saint of Lepers and another of his heroes.

Every year Father Ted holds an Appeal at St Joseph's Church in Elsternwick and at Holy Cross in South Caulfield. These Appeals have seen nearly \$500,000 donated over the past nine years. He has also encouraged the students and teachers of St Joseph's Primary School to donate to Klibur Domin, and each year on Harmony Day more than \$2000 has been raised by the students. The \$2055 raised in 2019 will go towards purchasing cartridges for Klibur Domin's GeneXpert machine, allowing more than 150 people to receive diagnostic tests for Tuberculosis, and so saving many of their lives.

Father Ted has more than honoured his *offer to help* made to Leonard Cheshire back in 1964 and in doing so he has inspired many other people and members of his congregation to offer their own help. We thank you Father Ted for your humanitarian commitment to this most worthy cause.

## John Garton Cottage Opens at Klibur Domin

John Garton was a friend for more than 70 years of Father Ted Burns who talked to him regularly about the wonderful work being done at Klibur Domin.

John had planned to travel to Klibur Domin with Father Burns in August 2017, but sadly he died several months before the planned trip and he never did get to see the Home. However, his legacy will live on through a bequest he made shortly before his death which enabled the old Director's Cottage to be renovated and extended to accommodate up to ten students with disabilities who live at Klibur Domin and attend the Franciscan School across the road.

The Cottage was completed in March 2019. It has four bedrooms, a living room, a kitchen and two bathrooms. It is ideally situated near the front gate with the school just a short walk away. With their disabilities, most of the students would not have been able to attend schools had they not come to Klibur Domin. The students live semi-independently in the John Garton Cottage, so enhancing their life skills.

We thank John Garton and his relatives for this very generous humanitarian gift.

### A Brief Word from Your President.

#### Congratulations Raphael for your 60th Anniversary

Here is an update on the **Ryder-Cheshire Refresh and Renew Project** which grew from last year's RCA Biennial Conference. Your Board has considered all the matters raised at the Conference along with other inputs. These have all been incorporated in a discussion paper to be finalized at the RCA Board meeting in May.

The Project has been consolidated under eleven headings: Social Media, Investments, Communications, Bequests, New Sponsors, Volunteers, Indian Diaspora, Australian Expansion, Strategic Links, Service Clubs and Media Opportunities.

Once this document has been accepted, it will be available on the Ryder-Cheshire website.

You will see that we need to have small teams focusing on each of the eleven areas to ensure that **REAL** action occurs and that we are **SECURE** into the future. Please take the time to read the document and consider how you can help in one or more of the areas.

This needs to be finalized and implemented well in advance before the 2020 Ryder-Cheshire Biennial Conference in Mt Gambier as it will be reported on at this Conference.

## Klibur Domin Dental Health

February saw another dental team visit Klibur Domin; Adelaide based Dr John Denton on his third visit and assistant Jude Allsopp from Sunshine Coast for her first visit. Both these professionals provided very positive feedback on KD, and the dental facility, including staff Effi and Luis who are both funded by Australian based NGO Maluk Timor and Maria funded by KD.

They reported the KD Dental Clinic is well stocked with dental supplies which visiting teams bring from Australia. Australian dental supply companies donate these supplies and some are purchased by the visiting dental teams.

We are very pleased to report that the KD Dental Clinic is in good hands and functioning well. Our three locally trained Dental Nurses are a wonderful team of trained and enthusiastic clinicians who are treating patients from Tibar and surrounding districts, with great care and skill, as reported by Dr John Denton.

It was wonderful to know that the work continues with competent local dental nurses in between visits from the volunteer dental professionals. I applaud everyone's commitment to this much-needed service and with Joaquim at the helm of KD I am very confident that all the work is worth it. Thank you to all for making the KD Dental Clinic a reality, as reported by Jude Allsopp.

Further to this, there is a shipment currently on its way to KD; including a high quality folding dental chair, dental unit with drills and bits, and a suction unit. This equipment has either been donated or supplied at cost by very generous dental companies. Once this equipment's safe arrival at KD is confirmed, former Mount Gambier, now Adelaide based, semi-retired dentist, Dr Ian Ridley, will also make his third visit. Dental equipment technician Brian Summers who has arranged supply of equipment hopes to make his second visit this year.

We have another Team of volunteers heading up to KD early July to follow up and continue landscaping, and particularly to try and resolve some water issues. There is room for more to join in this group or to join the small group looking to go up in August.

## Congratulations Peter Colliver OAM

In this year's the Australia Day Awards Peter Colliver was awarded the Medal of the Order of Australia (OAM).

Since 2003, Peter Colliver has held the position of Honorary Treasurer and Public Officer of Ryder-Cheshire Australia. He handles this task impeccably, notwithstanding his own busy accountancy practice and his huge commitment to the Royal Australian Air Force Association.

The Ryder-Cheshire task involves him in many hours each week; receiving and receipting donations, communicating and transferring money to Raphael and Klibur Domin, maintaining the accounts and the investment portfolio, and handling all correspondence and taxation matters. He is a Director on the Board of Ryder-Cheshire Australia.

Peter is the National Secretary of the Royal Australian Air Force Association and also served as President of the Victorian Division from 2004 to 2012. He was a member of the Victorians' Veterans' Council from 2007 to 2013 and is a member of RAAF Heritage Advisory Council. He was the Commanding Officer of the Australian Air Force Cadets in Victoria from 1988 to 1993 and a member of the Australian Air Force Cadets National Council. His dedication to the Air Cadets and to the wider Royal Australian Air Force is exemplary.

Peter is highly respected by all who come in contact with him professionally and socially and in the wider community. He is dedicated to ensuring that everything he does is done to the highest possible standard, and all of this in a totally honorary capacity for Ryder-Cheshire Australia and the Royal Australian Air Force.

We heartily CONGRATULATE Peter on his Australia Day Award.

## Stories from our Volunteers

### Anil

My Raphael journey began in May 2018, when I received word that my application to volunteer was accepted. While this made me very happy and excited, I felt some nerves setting in as well. As a 17-year-old, this would be my first time away from my family for an extended period of time.

The four flight connections I had to make on my way to Dehradun from Ottawa, Canada, did not help relax me very much. I felt more at ease the instant my taxi dropped me off at Raphael. The staff who greeted me and specifically the Volunteer Coordinator were incredibly kind and curious about my background. Despite their surprise at my youth, they started putting me to work straight away.

My first role was as a helper at the Raphael School doing miscellaneous work to keep the students occupied and engaged. While I do not speak Hindi and initially struggled to communicate with them, I soon found that body language was just as effective as a form of speaking with them. I immediately made some great friends among the students and really enjoyed my interactions with them.

Aside from working with the students at the school, I also held workshops for teachers on computer use in the classroom. The curiosity of these women was infectious, and I appreciated their gratitude for learning things I had always taken for granted, such as the copy and paste functions on a computer. This was not only fun to experience but gave me considerable perspective.

I spent one weekend away from Raphael and explored the Mindrolling Monastery and historic Rishikesh. These beautiful landmarks were outdone only by the stunning landscapes around Dehradun. With rolling hills and forest as far as the eye can see, the countryside was entirely different to that of Canada.

My time in India was absolutely unforgettable. I send my best wishes to everyone at Ryder-Cheshire and at Raphael who helped make it all happen for me.

### Joy

Spending four weeks at Klibur Domin as a general volunteer was a most rewarding experience. Before going, I researched the country's history and attempted to learn some Tetun. I arrived in Dili ready to assist as required, and hoping to experience something different. Joaquim, staff and other volunteers made me feel welcome and I immediately felt at home in the cottage.

Once completing the job list given, I found other ways to help out. My skill set with machine sewing, arts and crafts, sorting and organising came in handy. I was fortunate to be at KD for Founders' Day Celebration where amazing staff teamwork was required to host the wonderful community event.

It was a privilege to accompany the community based rehabilitation team and witness how vital the program is in providing family support and services to remote areas. As a nurse I was happy to assist the experienced staff with basic patient observations.

Sharing stories with other interesting volunteers was a great joy, and we made the most of our days off visiting different places. My Timorese adventure was personally rewarding because of all the people I met at KD.

Thank you Ryder-Cheshire Australia and KD for the opportunity to serve in Timor-Leste.

## VALE

### Ilona Takacs

Ilona was a dedicated supporter of Ryder-Cheshire for a very long time. Her compassion 'for the relief of suffering' was conscientious and genuine.

Her beginnings with Ryder-Cheshire started when she was House Teacher at Ballarat Clarendon College. She enthusiastically encouraged the students to raise funds for their sponsorships at Raphael.

Ilona also independently sponsored Tarun Saxena and Ajay Bhandari at Raphael over recent years.

She is sadly missed.

Dorothy Carpenter

### Christine Carberry

Christine Carberry, who was a member of the Klibur Domin Board of Management for the past ten years, sadly passed away on 11 January. She bravely fought cancer and appeared to have won her battle, but suddenly and unexpectedly she died at the Gold Coast Hospital. Her ashes have been interred in a memorial at Klibur Domin, the Home she had so passionately supported.

Christine was an accountant and auditor and did a huge amount to improve the financial management at Klibur Domin. She had a dynamic personality and a wide variety of interests in Timor-Leste where she had made her home. She was strong, dedicated and passionate and she will be missed by all who knew her.

May she rest in peace.

Peter Newton

### Mrs Audrey Lehey

Long-term RCA supporter and former Bendigo President Mrs Audrey Lehey passed away in February. Audrey was a gracious, charming and elegant lady, who also held leadership positions in Bendigo RSL, RAAF Association, Chinese Museum and Legacy.

Her impeccable good taste was evident in her exquisite collection of Asian Art from her years in Malaysia, where her husband was an Architect. She received the Honour of Sri Kalota Kelantan from the future King of Malaysia.

Who else but our Audrey would have had the confidence to teach a Sultan to Dance?

We will miss her.

Hugh Elphinstone

### Pamela Harrison

Pam & Bohla after 50 Years in 2009

For me, Pam Harrison was a dearest friend, going back to 1958 when I knew her as Pam Breslin at Avila, the Grail Hostel at North Sydney. Pam was a teacher with deaf children at which she excelled with her expressive face and personality.

In 1959, Leonard Cheshire and Sue Ryder, started Raphael and visited Sydney. Pam met them and by 1960 she was in Dehra Dun for two years setting up the Ava Vihar

school for the mentally handicapped, now Barbara Cottage.

She was the first Australian volunteer, with Barbara Coleman popping in and out during her tenure with the Indian Cheshire Homes. There are tales of Barbara dancing for Pam's school children and this pair dancing and playing in the Army Band at social functions!

Pam corresponded with me as I completed my nursing training and inspired me to volunteer for Raphael. Before my departure in 1964, I spent a week with Pam, by then married to John Harrison and living in the Snowy Mountains of NSW. They both gave me every encouragement. Pam and John had four children and later lived in Thailand and Cambodia for 16 years. We visited them in Bangkok in 1989 after taking our boys to Dehra Dun – 'unfortunately, we had to leave Mrs Harrison's house at 1am' was written in their travel diaries.

Everywhere, Pam raised funds for Ryder-Cheshire. Ava Dhar and Mrs Rawley

known as Aunty Dot described Pam as a beautiful, exuberant girl and, as we know, the Ava Vihar school grew into what is now an Indian nodal centre for Autism. Pam was there when Bhola arrived in a tonga from the Railway Station. In 2009, at Raphael's Golden Jubilee, Bhola recognised her and called "teacher" which brought floods of tears and this poem ...

*You are our sun*

*From nowhere you have come*

*As Monsoon rain upon a parched July*

*Yet like the sun and rain you nourish and replenish*

*Those to whom this world and all its artifice*

*Has come to mean so small a thing*

*We love your smile and joyful chuckle of delight.*

Pam's funeral was spiritual, family and fun – everybody was given a flower.

She loved her God, her family, friends and humanity – her generosity and optimism lit up the day.

Rest in peace, Pam. Anne Boyd

### Lynne Devlin

Our dear member, Lynne Devlin, passed away on 30 November 2018. We were shocked at her sudden passing. Lynne was totally committed to 'for the relief of suffering' on local, national and global levels. She believed in looking out for each other without judgement.

Lynne had recently retired from a long and extensive career in education. Her final position was the Principal of Mt Blowhard Primary School. The Mt Blowhard Primary School community under Lynne's leadership worked together to raise funds to support Savita at Raphael. When Savita completed her schooling and went on to train as a nurse, they were so excited to know that they had helped in establishing her career in nursing. With Lynne's support the students and their families agreed to support Sushma at Raphael with her education.

Upon her retirement, Lynne wanted to continue her work 'for the relief of suffering' so joined the Ballarat Support Group and became a member of the Ryder-Cheshire Foundation Victoria. Her energy, enthusiasm, ideas and compassion was exhilarating. She was the best raffle ticket seller ever and we called her Our Queen of The Raffles.

We all feel so enlightened by having had her as a member of our Support Group. She is sadly missed.

Dianne McGrath

### Bernard Bradbury

We were saddened at the passing of Bernard Bradbury in January this Year.

Bernard was a Past President and Honorary Life Member of the Ballarat Support Group. We all enjoyed his vast knowledge on so many topics and his passion "for the relief of suffering."

At our monthly meetings his President's Report would often include snippets of information and readings from our Founders; Leonard and Sue. He was keen that we learn the history of Ryder-Cheshire.

His quiet sense of fun and humour along with his inclusive decision-making was highly appreciated. He always included each member by supporting and enabling them to carry out their roles.

In 2008 the Ballarat Support Group hosted for the very first time the Ryder-Cheshire Australia Biennial Conference in Ballarat.

It was Bernard's leadership that guided us through the process of hosting such an event and so gave us the confidence to host another Biennial.

Bernard, such a quiet, gentle man is sadly missed.

## HOW YOU CAN SHARE IN RYDER-CHESHIRE'S HUMANITARIAN WORK

Sponsorships and donations are **URGENTLY NEEDED** and essential to allow us to maintain, support and develop much needed programs at Raphael in India and Klibur Domin in Timor-Leste

### ABOUT SPONSORSHIPS

The usual cost is \$1 per day, or \$365 per year, but sponsors may contribute less or more, if preferred.

#### Raphael

Sponsor an individual resident. Regular updates about the sponsored resident's progress are provided from Raphael.

Or choose a program to sponsor from the following:

- \* **TB program.** There are 26 beds in the ward, together with an out-patient program treating over 2000 cases annually.
- \* **Community Based Rehabilitation Program.** An outreach team supports children with disabilities in their villages.
- \* **Day Care Centre Program.** Provides education and therapy to 160 children and adults with disabilities

#### Klibur Domin

You can sponsor any of the following three programs:

- \* **Inpatient Services Program.** Provides care for patients recovering from illnesses and injuries.
- \* **TB Program.** Includes in-patient and out-patient services, a mobile TB Team, and a Multi Drug Resistant TB Ward
- \* **Community Based Rehabilitation Program.** An outreach team supports children with disabilities in their villages.
